Journal Prompt Viewfinder

Theme: Looking through the “window”

Description:

Drawing -
1. Create a viewfinder - a square or rectagular hole in a piece of paper designed to section off
2. Sit in one spot anywhere
3. Sketch at least views you see inside teh viewfinder.
   Think vertical and horizontal orientation

2D Design -
1. Your digital camera is a viewfinder - framing
2. Sit in one spot anywhere
3. Shoot 50 photos - sections of the scene, close ups, details.
   Each photo needs to be a strong design an its own.
   Think vertical and horizontal orientation
4. Choose the 6 most interesting photos and have them printed. Glue into journal.

3D Design -
1. Your digital camera is a viewfinder
2. Choose an interesting building
3. Shoot 50 photos - sections of the building, none of whole. Think vertical and horizontal orientation
4. Choose the 6 most interesting photos and have them printed. Glue into journal.
